

## Mayra Ambriz

Managing Director

---

Mayra enjoys applying her Bachelor of Arts degree in International Business and Economics to her work as a real estate appraiser. She has performed a number of appraisals on diverse properties from shopping malls to synagogues.

Her valuation experience also includes working with commercial special purpose properties like maximum security detention/prison facilities, USDA food processing and rendering facilities, car dealerships, movie theaters, as well as subdivisions and multi-family residential properties. She looks forward to helping Argianas expand their offerings to meet the special needs of the growing Latino business community. Mayra is a Certified General Real Estate Appraiser in Illinois and is a candidate for the MAI designation through the Appraisal Institute.
